

Oak Cliff Delegation Visits Portland

A delegation of Oak Cliff representatives, co-sponsored by OCTA, the Oak Cliff Chamber of Commerce, and the Fort Worth Avenue Development Group, recently returned from visiting Portland, Oregon to meet with heads of that city's Streetcar operations. While there, the team explored the various corridors, and studied how they have successfully meshed mixed-use developments into the residential neighborhoods, and how the streets have been made to accomodate pedestrians. Pictures from the trip can be viewed here: <http://www.flickr.com/photos/29949452@N08/>
